To Whom It May Concern:

The ODA Minority Business Enterprise Center is a fully funded agency operating under the auspices of the US Department of Commerce. We are advised by Superior Glacier, that you require an official certification of minority status.

This is to certify that, pursuant to 15 CFR Part 1400 {Docket No. 40563-4129} (Minority Business Development Agency: Determination of Group Eligibility for MBDA Assistance), as enacted by Congress as recorded in the Federal Register on October 24, 1984 {Vol.49, No. 207} (see attached), that Hasidic Jews as a group are considered "socially or economically disadvantaged" within the meaning of the enabling legislation.

As such, they and their business enterprises are qualified as minority contractors/vendors for the purposes of conducting commerce and trade with local, state, federal, public and private agencies, institutions, or entities.

Thank you for your cooperation.

Very truly yours,
